Letter from Our Founder

Dear Friend,

Nearly 40 years ago, I visited Egypt while on tour with the U.S. Department of State; little did I know this trip would be why Coptic Orphans would come to fruition. I encountered Coptic Children living in orphanages because their fathers, the primary breadwinners, had died, and their mothers had no means to feed or clothe them. After the trip, I recruited a few friends to join me in pooling funds to send to the orphanage each month, ensuring the 45 girls who lived there had their basic necessities taken care of.

This year, we are celebrating our 35th anniversary of fighting against the vicious cycle of poverty that our brothers and sisters in Egypt have endured. This year's theme is "From Generation to Generation", where we celebrate the accomplishments of the organization thanks to donors like you while shaping the future for our Coptic community.

Thanks to all supporters, such as yourself, Coptic Orphans has been able to go from benefitting a handful of children in 1988, when we started, to transforming the lives of over 75,000. It is incredible to see how much we have grown and will continue to grow through your generosity.

We would be honored to have you as an Event Sponsor. As such, you will receive various benefits and positive media attention from your association with Coptic Orphans. If you want to become an Event Sponsor or donate, please view the last page of this package. We would love to set up an appointment to discuss the levels and benefits of sponsorship.

Thank you for your time and consideration, we look forward to hearing from you!

One Body in Christ,

Nermien Riad
Founder and Executive Director
Coptic Orphans
