Dear Client,

Enclosed are the original and one copy of the 2022 Exempt Organization return, as follows...

2022 Form 990

Form 114, Report of Foreign Bank and Financial Accounts

We have completed the return(s) in accordance with the scope and terms of the engagement letter. The return(s) were completed from information you furnished to us. We have not audited or otherwise verified the data you submitted, although we may have asked you to clarify some of the information.

All of the information you submitted to us was, to the best of your knowledge, correct and complete and included all income, deductions, and other data necessary for the preparation of your income tax return(s). You are responsible for keeping the necessary records to support the information within your return(s). It is important that you review your records to ensure that you have the documentation for these income and expense items. If you find that the documentation is incomplete or incorrect, please notify our office to discuss the propriety of amending these returns.

Enclosed are any original documents that you may have provided to us for the preparation of your returns. We may have retained copies of some or all of the documents, but you should maintain all of the original documents and records to support your return.

Your return(s), of course, are subject to review by the taxing authorities. Any items resolved against you are subject to certain rights of appeal. In the event of any examination, we will be available to represent you as a separate engagement.

The Internal Revenue Code and states provides for numerous penalties. They include penalty for omitting income, failure to file informational returns (such as 1099's or various reporting requirements related to foreign activities), substantial underpayment of tax liability and numerous others. The taxing authorities have indicated they will assess penalties vigorously. Please contact us if you believe that there are any additional filings required that have not been prepared.

The <u>FILING INSTRUCTIONS</u>, which are included with each return, provide information on how to file your return, the due date of the return, and the amount of your refund or amounts due.

Please review the return(s) prior to filing with the taxing authority. Should you have any questions regarding the return(s), please contact us.

You should retain a copy of the return(s) for your files.

We sincerely appreciate the opportunity to work with you, and we look forward to our continued relationship.

Very truly yours,

Katsiaryna Vasiliev
