## *Greetings from the Founder of Coptic Orphans*

Nearly 40 years ago, I visited Egypt while on tour with the U.S. Department of State; little did I know this trip would be why Coptic Orphans would come to fruition. I encountered Coptic Children living in orphanages because their fathers, the primary breadwinners, had died, and their mothers had no means to feed or clothe them. After the trip, I recruited a few friends to join me in pooling funds to send to the orphanage each month, ensuring the 45 girls who lived there had their basic necessities taken care of.

This year, we are celebrating our donors and sponsors who helped us fight against the vicious cycle of poverty that our brothers and sisters in Egypt have endured. This year's theme is "Celebrating the Good and Faithful Servant", where we recognize you, our donors, who have shaped the future for our Coptic communities globally.

Thanks to all supporters, such as yourself, Coptic Orphans has been able to go from benefitting a handful of children in 1988, when we started, to transforming the lives of over 86,000. It is incredible to see how much we have grown and will continue to grow through your generosity.

We would be honored to have you as an Event Sponsor. As such, you will receive various benefits and positive media attention from your association with Coptic Orphans. If you want to become an Event Sponsor or donate, we would love to set up an appointment to discuss the levels and benefits of sponsorship.

Thank you for your time and consideration, we look forward to hearing from you!

One Body in Christ,

Nermien Riad
